seranit

micromix

T

arih ve kültürün modern tasarımlarından ilham alınarak oluşturulan Micromix koleksiyonu yaşam alanlarına Akdeniz'in büyüleyici atmosferini taşıyor.

Milattan 26 bin yıl önce Mısır'da ilk seramik yapımının keşfinden sonra bu topraklara yayılan muhteşem desenler, kültürlerin kendine göre yorumlaması ile birbirine benzemeyen binlerce motif, hayata heyecan katmaya devam ediyor. Aspendos'tan Efes'e, Olympiadan Sicilya'ya, Korsiyadan Alhambra'ya kadar yayılan Akdeniz kültürü, güneşin parlaklığı, denizin maviliği, tarihin kokusu, çiçeklerin göz alıcılığı ile bezenen bu tasarımlarda hayat buluyor.

Modern geometrik desenler, geçmişi bugüne taşıyan tasarımlarla birleşiyor ve Micromix koleksiyonu, Akdeniz'in büyüleyici güzelliklerini mekanlara davet ediyor.

İç ve dış mekanlarda, hem duvarda hem de yerde kullanılabilen Micromix koleksiyonu zengin desen seçenekleriyle kare, dikdörtgen ve altıgen karolar ile hayal gücünün sınırlarını zorlayan farklı kombinasyonlar yaratıyor. Desenleri küçük alanlara farklılık, büyük alanlara dinamizm katıyor. Micromix'in yarattığı o kocaman dünyaya inanamayacaksınız.

I

nspired by the modern designs of history and culture, the Micromix collection carries the magical atmosphere of the Mediterranean to living spaces.

After the discovery of the first ceramic production in Egypt 26.000 BC, thousands of motifs that do not resemble each other continue to add excitement to life with the interpretation of the magnificent patterns and cultures. Mediterranean culture from Aspendos to Ephesus, from Olympia to Sicily, from Corsica to Alhambra, comes to life in these designs embellished with the brightness of the sun, the blue of the sea, the smell of history and the luster of flowers.

Modern geometric patterns combine with the designs that carry the past to the present, and the Micromix collection brings fascinating beauties of the Mediterranean to spaces.

With its rich combinations of frames, square, rectangular and hexagonal tiles The Micromix collection creates different combinations that push the limits of imagination and can be used both indoors and outdoors, on the wall and on the floor. You're not going to believe that huge world Micromix creates, Patterns of Micromix make difference at small areas, add dynamism to large areas.

Çevresel Ürün Beyanı, EPD

Environmental Product Declaration, EPD

Seranit Grup, tüm seramik ürün gruplarında; porselen karolar, duvar karoları ve yer karoları için EPD belgesine sahiptir. EPD belgesi alma sürecinde, ürettiği ürünlerin ham maddelerinin işlenmesinden üretimine ve uygulanmasına kadarki tüm çevresel etkiler Seranit Grup tarafından değerlendirilip şeffaf olarak beyan edilmiştir. Seramik ürünlerine EPD belgesini alan Seranit Grup, müşterilerinin yeşil bina projelerindeki sertifika sistemlerinde yüksek puan almalarını sağlamaktadır. Seranit Grup EPD belgeleri sayesinde, ölçülebilir ve kıyaslanabilir sonuçlarla, uygulamacı ve yatırımcılara, kullanacakları yapı malzemeleri hakkında ulaşabilecekleri en doğru çevresel bilgileri sunmaktadır.

The Seranit Group holds EPD certificates for all its ceramic product groups, including porcelain tiles, wall tiles and floor tiles. In the process of the EPD certification, the Seranit Group reviews and transparently declares all environmental impacts from the processing of raw materials in its production and applications. With EPD certified ceramic products, the Seranit Group enables its customers to receive high scores during the certification process of their green building projects. Thanks to its EPD certificates, the Seranit Group offers implementers and investors the most accurate environmental information accessible on the respective building materials through scalable and comparable results.

Yaşam Döngüsü Değerlendirmesi

Life Cycle Assessment, LCA

LEED kriterlerinde yapı ürünlerinde ilave puan almak için LCA ve EPD belgelendirmelerini tamamlayan Seranit Grup, müşterilerine sertifikalandırma çalışmalarında ayrıcalık yaratmayı hedeflemektedir. Seranit Grup, dünyada hızla gelişmekte olan yeşil bina pazarlarında müşterilerine avantaj yaratmakla kalmayıp, Avrupa Birliği yasaları ve ihracat pazarı gerekliliklerine de uyum sağlamayı amaçlamaktadır. Seranit Grup, LCA yaklaşımı ile eko-tasarım ve eko-inovasyon fırsatları altyapısını da hazırlamıştır.

The Seranit Group, which completed LCA and EPD certification processes in order to get additional points for its building products at LEED, aims to bring advantages to its customers during certification procedures. In addition to presenting its customers with benefits in the world's rapidly developing green building markets, the Seranit Group also aims to comply with the laws of the European Union and the requirements of the export market. The Seranit Group has also prepared the infrastructure for eco-design and eco-innovation opportunities through its LCA approach.

İklim Beyanları

Climate Declarations

Seranit Grup, tüm ürün ve faaliyetlerinde ortaya çıkan sera gazı salınımlarıyla ilgili farkındalığını artırmak ve stratejik önlemlerle küresel ısınma ve çevre konularında kendine düşen sorumlulukları yerine getirmek amacıyla, kapsamlı bir karbon ayak izi çalışması da yürütmüştür.

The Seranit Group carried out a comprehensive carbon footprint project in order to increase awareness in regards to the greenhouse gas emissions of all its products and operations, and to meet its responsibilities in global warming and environmental issues through strategic precautions.

ECO Platform

Seranit Grup, ECO Platform üyeliği ile EPD belgeleri ve beyanlarının hem Avrupa'da hem de uluslararası düzeyde kullanılmasına olanak sağlamaktadır.

The Seranit Group enables the use of EPD certificates and declarations both in Europe and at the international level with its ECO Platform membership.
